

## Terres Cortal Rosé

### Appellation

Indication Géographique Protégée Pays d'Oc

### Varietal

50% Grenache, 50% Cinsault

### Alcohol per Volume

12.5%

### Winemaker

Claude Serra

### Vineyard

The vineyards are located by the Étang de Thau on sandy soils with pebbly screes.

### Vinification

Thinning of the leaves during maturation of the grapes on the vine. This rosé is obtained by "saignée" after maceration of 8 to 12 hours. Sedimentation and fermentation at low temperature. At the end of the alcoholic fermentation, the wine is racked off and goes through a light filtration prior to bottling.

### Tasting Notes

Pale colour with ruby tints. Elegant nose of wild red berries complemented by notes of Mediterranean flowers. Round and soft on the palate, this wine has a perfect balance between the rich aromas of fruits and the fresh acidity which gives a long lasting finish.

### Serving Temperature

10°C

### Bottle Life

Ready to drink now or can be kept for the next 2 years.

### Palletisation

50cs x 12 x 75cl
